To Whom It May Concern:

I have had the pleasure of working with Cynthia Campbell for the past three years at Oxford Center School. She has volunteered her time for our school's Spring Musical as a movement and style coach to the cast members from the 4th and 5th Grades.

Mrs. Campbell has a great background in mime work, and has added a new dimension to our productions. She has built strong relationships with the cast members and parents and has worked tirelessly to bring out the best characteristics of each student. Mrs. Campbell creates a safe environment for students to express creative movement with their bodies and faces.

Mrs. Campbell will be an asset to any theater or movement program. Her energy, creative talent and commitment to student achievement are an inspiration to everyone in her program.

Please feel free to call me at 203-888-6492.

Sincerely,

Mary Ann Sporcie
Music Teacher
