Hi, my name is Delaney Kepshire and I am writing this letter to let you know how helpful Mrs. Campbell was to me when I was in my fourth grade play this past spring at Oxford Center school. I had a speaking, singing and dancing part as a surfer hippie. Mrs. Campbell was my acting coach. Working with her was very helpful. She was kind, calm and gentle to me and all the kids. She had a lot of patience. She helped me not to be nervous. She was kind and fun and I enjoyed her being there. She helped work with the kids to learn their lines, she made us believe in the person we were playing so we would be believable on stage for the audience. She taught me some amazing dance moves and really helped make the play the success it was. She also helped me feel confident in myself and really get into the person I was playing. I think Mrs. C would be a great help anywhere she goes. She's the best!
