To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Cynthia Campbell. Cynthia and I have worked together on the Oxford Center School 4th and 5th grade play for the past three years. As the play choreographer, I work closely with Cynthia to coordinate body positioning and placement before and after musical numbers. Each year, as Cynthia's involvement increases, the quality of our acting increases. She exudes a wonderfully quiet enthusiasm that becomes apparent as she works with each individual student. This enthusiasm infects each of our actors and is then reflected on stage during each production.

Every year I am pleasantly surprised when I see the intricacies of body movement and facial expressions from the students up on stage. Cynthia's care and attention to detail are commendable, and the fact that she can transfer those traits into the students' acting is remarkable. She has a gentle approach which draws in even the toughest to reach students and earns their trust. It is the trust they have in Cynthia which allows our students to take the risks necessary to achieve greatness at such a young age. I believe there are very few productions performed with such professionalism at so young an age, and this is due in part to Cynthia's time and expertise. We are extremely lucky to have her on our team!

I would highly recommend Cynthia's talents to any youth acting program that wants to raise their level of quality and professionalism. She would be an excellent addition to any team or as a standalone instructor. If you have any questions or would like to discuss my recommendation further, please feel free to call me at 203-910-9909 (cell) or 203-888-6492 (work).
