To Whom It May Concern:

It is with great pleasure and admiration that I write this recommendation for Mrs. Cynthia Campbell. Cindy has been the *Acting Coach* for the musical productions at Oxford Center School for the past 3 years. During her time with us, I have spent many hours working with Cindy in the glorified role/title as "director". It is really the excellent work of Cindy, and a few of our staff members that continue to make our productions *magical*. Her professional and personal skills are of the highest caliber. I give her my highest recommendation for anything she wants to do including applying for an Acting Coach position. Cindy is held in highest regards by the students, parents, and staff of the Oxford Center School. I believe that she will continue to be a tremendous asset to the world of theater in an educational setting.

Cindy's knowledge and understanding of effective coaching/teaching is evident whenever she works with students. She has the ability to work with novice actors/students to develop a solid foundation of acting skills such as stage presence, blocking, projection etc... She also has the knack of working with more advanced students to help them utilize body language, movement, timing, and using voice quality to portray feeling and emotion. Throughout the process, students are encouraged to explore, create, take risks, and provide input into what will eventually become the end product. The end product being 100 - 120 students of various abilities performing a 90 minute musical with a tremendous amount of confidence, ability, and pride. Simply put, Cindy possesses a comprehensive and well-rounded approach to coaching students on the stage. Her well-rounded approach to working with students contributes in so many ways to our school community.

I give Cynthia Campbell my highest recommendation for the position of *Acting Coach*. Please feel free to contact me should you have any further questions.

Sincerely,

Heath Hendershot

Principal
